impACTup! Online Course for Students: "impACTup!: Innovation and Entrepreneurship for Better Futures" - Summer Semester 25

Dear students,

The LMU Innovation & Entrepreneurship Center (IEC) offers an online course tailored for students across all faculties and levels with the possibility to earn ECTS credits and/or a certificate.

Join our interdisciplinary impACTup! program – your gateway to becoming a part of the next generation of impACTors who are actively shaping the future through innovation and entrepreneurship.

By attending this course, you will develop future skills and learn how to translate knowledge on impact entrepreneurship into practice. There are no prior knowledge or specific skills required to join – students from all study programs and levels are welcome.

What's in for you?

- You learn from a diverse array of speakers across different LMU Munich and University of Augsburg faculties and beyond.
- An in-person kick-off and closing event for networking and discussion rounds.
- Interactive online Moodle course that you can complete at your own pace.
- Receive ECTS and/or get a certificate. You can check LMU study programs that we already clarified for ECTS credit approval [here](#)

A good beginning makes a good ending! Join our kick-off event!

On Wednesday, April 30, we will kick-off the course with an in-person meeting from 12 p.m. to 2 p.m. c.t., in the LMU main building, Room M105 (Geschw.-Scholl-Platz 1). During the event, you will be guided through the course scope and get answers to all course-related questions. Our speakers are going to shed light on the pivotal role of a diverse community, interdisciplinary collaborations, and resilience in transforming sustainability and innovation into powerful catalysts for change.

If you cannot attend but still want to do the course, please also register via the link below.

Register now until Monday, April 28, 2025 via the [following survey link](#).
